

## LATEST TELEGRAPH CONTINUED FROM PAGE ONE.

Through a misunderstanding our ADVERTISEMENT was omitted from Sunday's Paper. We desired especially to thank the Public who responded to our great sale of Men's, Boys', Children's Clothing and Gents' Furnishing Goods that were

DAMAGED BY WATER!

SOILED BY SMOKE!

BY THE BURNING of the building adjoining and directly over our store. The insurance companies have settled and now with only 19 DAYS left the entire stock must be sold regardless of cost or value. While many of these garments are soiled, the damage on the greater part is so slight save for a stain here or there, or a slight pressing on some will make them as good as new.

Each and every garment is marked with the sale price in plain figures so extremely low that no one can resist buying in advance of their present wants. No words can convey to you the magnitude of these offerings. It is merely an opportunity that comes to you through an accident, the like of which may never happen again.

These are the conditions and terms of the sale: Every garment marked in plain figures and strictly one price to all. No misrepresentation. No goods exchanged. No goods sent on approval. Ten extra salesmen have been employed so that your wants will be properly catered for. A few prices that will give you an idea of the magnitude of the sale

of Indian police, with three Maxims, have been sent to Kowloon, on the mainland. A Che Foo message of Monday's date says:

UNBAY FEELING PREVAILS.  
"Four cannon have been added to the west fort here, where there are now 1,000 soldiers permanently encamped, a further force having arrived from Ning Hai Chou. There is an uneasy feeling prevailing here, and an attack is generally anticipated. Chinese merchants are closing their offices and preparing to leave the port. All business is at a standstill."

Extensive preparations by the allies are going forward. The First Regiment of British Indian, 1,000 men, embarked at Calcutta yesterday, and 83 more marines received orders to get out from English ports. The British War Office, in anticipation of a prolonged campaign, is contracting for winter clothing and fur capes.

TWO ARMIES ASSEMBLING.  
The Amur army corps, ordered out by Russia, numbers 52,100, with 84 guns. Japan purposes to land 15,000 men on Chinese territory within a fortnight.

Among the minor military preparations the Portuguese Governor of Macao, Island of Macao, at the southwest entrance of Canton river is sending arms to the Portuguese in Canton. The Germans in Hong Kong have cabled Emperor William to ask if they may serve in the local forces in defence of Hong Kong. A million rounds left Hong Kong yesterday for Taku by the British steamer Hallowood.

The Shanghai correspondent of the Times sends the following under yesterday's date:  
"A military correspondent at Taku says that the operations of the allies are suffering from the want of a recognized head, defective organization and the lack of transport."  
Mr. Kinder, the noted engineer, has arrived at Che Foo.

## POLITICS LIVELY IN RICHMOND

Continued from Page 1

The party will leave over the Southern for West Point, where they will take the York River Line boat for Baltimore. From that point to Atlantic City the party will go by rail.

Up to the present time about eighty Richmond Elks will go, and this number will, no doubt, be considerably increased before the start is made.  
The Virginians will wear uniforms of white duck, and the delegation will, according to present plans, be headed by the Stonewall Band.

Saratoga Springs in the centre of this city. At Holmes' Drug Store, 122 Main street, the celebrated Saratoga Arsenic and Saratoga Cathartic Waters are sold on the Saratoga plan of all you can drink for five cents.

## CUSTOM HOUSE FRAUD CASES

CAME UP TO-DAY—BELIEVE PRISONERS WILL BE CONVICTED.

(By Telegraph to Virginian-Pilot.)

Havana, June 25.—Senator Andrade, the new fiscal, says that the custom house grand cases will be brought up to-morrow. He believes he can secure convictions in most of them. So far as the postal cases are concerned, he says that he cannot proceed until all the papers are in his hands. Consequently he is unprepared to make a statement respecting them at present, but he understands that he will receive the entire charges within the next few days.

Havana has been practically given over today to the teachers chosen to attend the summer school in Boston and to their friends.

The United States transport Sedgwick took 200 women teachers and the United States transport Crook 205. The Sedgwick will call at Matanzas, Cardenas and Sagua, the Crook touching only at Matanzas. Both transports left today.

BRYAN AT HIS HOME.  
HE SPEAKS ON THE PLATFORM TO BE ADAPTED AND DENIES RUMOR.

(By Telegraph to Virginian-Pilot.)

Lincoln, Neb., June 25.—William Jennings Bryan returned to-day from his Wisconsin fishing trip and will remain here until after the Democratic National Convention. He said he had been placed in a wrong position by some one who had presumed to outline his plan of campaign.

"Any statements made by anybody in regard to campaign plans are without foundation or authority," he added. "No plans have been made by me or by any one for me, and no plans will be made until after the convention has been held."

Mr. Bryan was asked whether he could say anything in regard to the platform to be adopted at Kansas City. He replied:

"No one, of course, can say what language will be used in setting forth the party principles. But some idea can be obtained as to the general tenor of the platform from the platform adopted in the State conventions. As a large majority of the delegates have been elected by conventions which reaffirmed the Chicago platform, it is safe to assume that the Kansas City platform will reaffirm the Chicago platform, and it will contain nothing which can be construed as a surrender or modification of the platform on the old issues."

TO OPPOSE TRUSTS.  
"It is equally certain that there will be a strong and definite plank against the trusts. There is also no doubt that the plank against imperialism will be clear and explicit. Militarism will be denounced and sympathy expressed for the Boers. This much is evident from what has already taken place."

Asked if there was any truth in the rumors that a Vice-President will be chosen whose views on the money question will be attractive to those who oppose the ticket in 1896, Mr. Bryan said:

"I do not care to discuss the Vice-Presidency now, further than to say that I assume that the candidate nominated for Vice-President will be in harmony with the platform. The Vice-President is not only president over the Senate while the President is alive, but assumes the office in case of the President's death, and it is hardly probable that delegates to a national convention would write a platform and then select for either place on a ticket a man who would repudiate the platform. No man worthy to be considered for such an office would accept a nomination upon a platform repugnant to

his views on any present issue. In every campaign men support a ticket without approving all of the platform, but no one can defend a platform unless he believes in it. Many tariff reformers and Democrats supported the Republican ticket four years ago, although they dissented from the protection plank. But the Republican convention would not have nominated a tariff reformer upon a protection platform. There is some times a joint debate between candidates on opposing tickets, but not between candidates on the same ticket."

Mr. Roosevelt at the Reunion.  
(By Telegraph to Virginian-Pilot.)

Chicago, June 25.—The Times-Herald to-morrow will say:

"Governor Roosevelt will leave New York city next Friday for Chicago, arriving in this city Saturday and leaving the same night for Oklahoma City, where he will attend the reunion of his old regiment—the Rough Riders. He will not come West as the Republican vice-presidential candidate, but as a private citizen, glad to meet his soldier comrades again and be welcomed by them. On arriving in Chicago he will become the guest of Paul Morton, second vice-president of the Santa Fe Railroad, in whose private car he will make the journey to Oklahoma."

Mr. Jones' Course Endorsed.  
(Special to Virginian-Pilot.)

Richmond, Va., June 25.—Westmoreland Democrats in mass meeting at Montrose to-day elected the following delegates to the district convention at Fredericksburg July 26th: E. J. Gouldman, Wm. Mayo, Wm. Edwards, Thomas Murphy, C. C. Baker, P. A. Hooper and C. Wilkinson. Resolutions endorsing W. A. Jones' course in Congress were unanimously adopted.

Prize Fight.

It was reported last night that a prize fight was to be pulled off before morning about one mile from Ocean View. Up to the hour of going to press the Virginian-Pilot had received no returns from the fight, although it is understood many Norfolk men went to the place selected on the Ocean View trains last night.

School Teachers' Examination.

The annual examination of the teachers of the public schools of the city will begin this morning at the High school building.

The examination of teachers in the public schools will also begin all over the State to-day.

The Norfolk county teachers' examination will be held at Huntersville.

and Fever is a bottle of GROVE'S TASTELESS CHILL TONIC. The formula is plainly printed on each package. It is simply Iron and Quinine in a tasteless form and is compounded in correct proportions. The reason imitators do not advertise their formula is because they know you would not buy their medicine if you knew its ingredients. Grove's is the original, and is the only chill and fever remedy sold throughout the entire malarial section of the United States. No cure, no pay. Price 50c.

## Will Have Full Band.

A report was circulated yesterday that Ideal Council would not have the full Seaboard Air Line Band on its excursion to-morrow night in the Pocomont. A leading member of the council says the rumor is false and that the full band of forty pieces will render a delightful program of popular music on the trip.
